WORD WORK PRACTICE

Pick any 5 words to practice and follow the directions for each activity:

- 1. Write It, Color It, Highlight It Activity - Write your words with a pencil in the Write It column. Then, write your words with a crayon in the Color It column. Then, write your words with a pencil and highlight the vowels in the Highlight Vowels column.**
- 2. Write It, Dot It, Red and Blue It Activity - Write your words with a pencil in the Write It column. Then, write your words with a pencil and place colorful dots on your letters in the Dot It column. Then, write your words with a pencil and color the Vowels Red and the Consonants Blue in the Vowels and Consonants column.**
- 3. Write It, Decorate It, Use a Marker Activity - Write your words with a pencil in the Write It column. Then, create pictures using the letters of your words in the Decorate It column. (I can become a tree or P can be the inside of a flower) Then, use a marker to write your words in the Use A Marker column.**
- 4. Write It, Rainbow It, Rhyme It Activity - Write your words with a pencil in the Write It column. Then, write your words giving each letter a different color in the Rainbow Write column. Then, write a word that rhymes with your word in the Write a Word That Rhymes with It column.**
