Parts of the Body Words

Use the body part picture and word cards to practice reading body part words.

To play a match game, lay the cards face down. Flip over two cards at a time and attempt to match the body part picture to the correct word. If a player makes a match, they may keep both cards. If a player does not find a match, the player must flip the cards face down. The player with the most cards wins!

After matching all cards, complete the worksheets provided.
