

# Months of the Year

## Activity 1 - Order the Months

Put the months in order starting with January.

## Activity 2- Holidays

Match the holidays to the month that they occur in. Put the blank game page in front of you. Select a month and put it on the top box of the page.

Look at the box on other month card to see how many holiday cards you will find for that month. Find the holidays and place them on the game page, then check your answers.

Complete the worksheets provided.
