CRUNCH!

(2+ players)

Lay flashcards face down. Player 1 pulls a card and reads that card out loud. If read correctly, player keeps that card. If not read correctly, player returns card to the pile. Each player continues pulling and reading cards until someone pulls a "CRUNCH!" card. The player that pulls a "Crunch!" card returns all their cards to the pile and begins collecting cards again. The goal of the game is to be the player with the most cards.

ABC Order

(1+ players)

Player pulls 10 random flashcards. Organize the flash cards in alphabetical order. Write the 10 words in ABC order on a piece of paper.

Basketball

(2 teams / container / small ball or wadded up piece of paper)

Divide group into 2 lines. Show the first 2 players a flashcard. The player who reads the word first gets to try to make a basket by throwing the ball in the container. If they get it in, their team gets a point. Players go to the end of the line and play continues with the next 2 players.
