## **Place Value Dice Game**

**Directions:** Using a 0–9 die, write the rolled digit into a place on the chart. Read the hundreds number you created. (If you do not have a 0–9 die, you can make a number generator using an egg carton labeled with digits 0–9. Shake a bean inside the closed egg carton, open, and see the digit you will use.)  
Play with a partner and see who has the greater number.

<b>Hundreds</b>	<b>Tens</b>	<b>Ones</b>

Name: \_\_\_\_\_

You can use this page to keep track of the numbers you create for each trial.  
Circle the number that is larger for each trial.
