

Name: _____

Valentine's Day Candy Hearts

Happy Valentine's Day.

Today you will sort, count, and graph candy hearts.

1. Sort your candy hearts by color.
2. Count the hearts in each group.
3. Graph the number of hearts you have for each color.
4. Look at your graph. Think about the amounts of each color.
5. Use your graph to answer the questions on page 3.

Name: _____

Sort and Graph Your Hearts
