

"I" like Ice

The letter **I** makes many sounds.
Sometimes, it sounds like it does in **ice**.
Can you find all the words with this sound?

Mike sat by the icebox.
It was hot inside.
It was hotter outside!
All he wanted was ice cream.
So, he took a bite.
He missed the white of winter.
He liked icicles.

It was too hot to ride his bike.
It was too hot to fly his kite.
It was too hot to visit his friend Ike.
It was too hot to take a hike.
It was too hot to lie in bed.

Maybe he could go play in the tide?
It could be cool at the seaside.
He could swim and play and slide.
The water would let him cool his hide.
Isn't that nice?
