Taking Care of Your Plant

Welcome to Taking Care of Your Plant!

The gameshow where you express your knowledge of plant care and win valuable prizes!

Let's get started!

Question 1: Name something you need to provide your plant so that it can drink.

Hint: It has its own cycle.

Question 2: Name an important need that your plant must have to grow strong!

Hint: It helps keep us humans warm.

Question 3: This plant need can be found anywhere, all around us.

Hint: We need this, too.

Question 4: Weeds sometimes get in the way of this need.

Hint: No one likes to be crowded.

True or False: A Plant needs soil to grow.

Hint: Ever hear of hydroponics?

Congratulations! Here is your prize. This plant needs all of the above, AND, you can feed it hamburgers! What is it?
