

Caring Song - Remix

It doesn't matter if you're big or small
It doesn't matter if you're short or tall
It doesn't matter what the color of your skin is
It doesn't matter at all

Because we're all unique in our own special way
We want to treat others like we want to be treated
We care about our friends no matter who they are

Yeah! Alright! Let's Go! Come On!

Hangin' out with my friends, I'm always caring
Look real nice with the smile I'm wearing
Hold up, it goes much deeper
My heart stays pure with kindness and laughter
I know, you know what I'm talkin' about
These words don't lie, but they bring about change
In the way that I live my life
I try to stay nice and be polite
