

Circle Song

A circle is a shape
It goes around and around
A circle is a shape
It goes around and around
It's like a pizza and a cookie
A ring and a coin
A circle is a shape
It goes around and around

Draw a circle in the air (2x)

Draw a small, small circle in the air (4x)

Draw a big, big circle in the air (4x)

A circle is a shape
It goes around and around
A circle is a shape
It goes around and around
It's like a pizza and a cookie
A ring and a coin
A circle is a shape
It goes around and around

Walk in the shape of a circle (4x)

A circle is a shape
It goes around and around
A circle is a shape
It goes around and around
It's like a pizza and a cookie
A ring and a coin
A circle is a shape
It goes around and around
