

# Counting By Eights Song

Music and Lyrics by: Have Fun Teaching

E-I-G-H-T

We're counting by eights, you and me  
Take two steps forward and two steps back  
We're counting by eights, let me hear you clap

E-I-G-H-T

We're counting by eights, you and me  
We count on the beat, we won't be late  
Let's count up to forty, we'll start with eight

8, 16, 24, 32, 40

We're counting by eights, you and me  
Take two steps forward and two steps back  
We're counting by eights, let me hear you clap
