

# Counting By Elevens Song

Music and Lyrics by: Have Fun Teaching

Count by eleven, let me see you get down  
Let me see you get up, let me see you move around  
Let's go on the floor, let's bounce with the flow  
Dance to the music as you count, here we go

11, 22, 33, 44, 55, 66, 77, 88, 99

11, 22, 33, 44, 55, 66, 77, 88, 99

Count by eleven, let me see you get down  
Let me see you get up, let me see you move around  
Let's go on the floor, let's bounce with the flow  
Dance to the music as you count, here we go

11, 22, 33, 44, 55, 66, 77, 88, 99
