

Counting By Fives Song

Music and Lyrics by: Have Fun Teaching

Dance, let's see those hands
Dance, let's see those hands
Dance, let's see those hands
Dance, now move your feet side to side
Dance!

Raise your hand way up high
Wave it in the air like you just don't mind
Now, move your feet side to side
Count to one hundred, we'll start with five

5, 10, 15, 20
25, 30, 35, 40
45, 50, 55, 60
65, 70, 75, 80
85, 90, 95, 100

Dance, let's see those hands
Dance, let's see those hands
Dance, let's see those hands
Dance, let's see those hands
