

# Counting By Sevens Song

Music and Lyrics by: Have Fun Teaching

Here we go count by sevens  
We'll do a little dance, let's dance to the rhythm  
Move your elbows, move your knees  
Step with your feet and count with the beat

Now clap your hands, have a little party  
Move your head, come on everybody  
Now turn around, give your body a spin  
Let's count to ninety-eight, we'll start with seven

7, 14, 21, 28, 35, 42, 49, 56, 63, 70, 77, 84, 91, 98

Ohhh, bring that seven
