

Counting Down From Twenty Song

Music and Lyrics by: Have Fun Teaching

Stand up straight
Don't move a muscle
Put your arms at your side
And keep your feet in the middle
We're gonna count down
From twenty all the way to one
Then, we're gonna have some fun, yeah

20, 19, 18, 17, 16, 15, 14, 13, 12, 11
10, 9, 8, 7, 6, 5, 4, 3, 2, 1
