

# Creation Song

In the beginning God created the Heavens and the earth  
He made Adam with His breath from the dirt  
Then came Eve do you believe that she came from Adam's rib  
We give Him all the glory with the life that we live

On the first day God made day and night  
He separated the darkness from the light

On the second day God made the sky  
He made a space between the water below and up high

On the third day God made the land and the oceans  
He made plants and trees and all the vegetation

On the fourth day God made the moon and the sun  
He made the planets and the stars to shine for everyone

On the fifth day God made fish to swim  
He made birds to fly, to fly up in the sky

On the sixth day God made all living things  
He made all the animals and all human beings

On the seventh day God took a rest  
He looked at all that He had made and He said that it was blessed
