

# Letter N Song

Music and Lyrics by: Have Fun Teaching

N is a consonant, a letter in the alphabet

n, n, n, n (N Sound)

Last night  
I met my neighbor  
She is a nurse  
And she is nice

n, n, n, n (N Sound)

I really need  
To rest my neck  
I'll take a nap  
Right now

n, n, n, n (N Sound)

Write an uppercase N in the air  
Write a lowercase n in the air

n, n, n, n (N Sound)

N is a consonant, a letter in the alphabet
