X is a consonant, a letter in the alphabet

x, x, x, x (X Sound)

There was a fox
Who got a box
From an ox
It was a tux

x, x, x, x (X Sound)

The Tyrannosaurus Rex
It is extinct
I saw an X-Ray
It was exciting

Write an uppercase X in the air
Write a lowercase x in the air

x, x, x, x (X Sound)
