

# Parts of the Body Song

These are the parts of my body  
From my head to my toes  
I'm gonna move each body part  
And say it, here we go

I move my head  
I move my eyes  
I move my nose  
I move my ears

I move my mouth  
I move my neck  
I move my shoulders  
I move my stomach

I move my arms  
I move my elbows  
I move my hands  
I move my fingers

I move my legs  
I move my knees  
I move my feet  
I move my toes
