

# Running Man Rex Song

Clap your hands

They me Running Man Rex 'cause I run with the best  
Don't want to stop and rest, I put my body to the test  
Quick are my feet and the beat of my heart  
I have so much fun, I feel good when I run

Touch the ground  
Stand up straight

Jumping Jacks

Run in place

Walk it out

Slide to the left  
Slide to the right
