

# Away Song

Music and Lyrics by: Have Fun Teaching

away, away, away, away  
away, away, away, away

a-w-a-y, a-w-a-y, a-w-a-y, a-w-a-y

away, away, away, away  
away, away, away, away

I see a tree on a hill. It is far away.  
I see a cloud in the sky. It is far away.  
I see a car on the road. It is far away.  
I see a boat on the water. It is far away.

away, away, away, away  
away, away, away, away

a-w-a-y, a-w-a-y, a-w-a-y, a-w-a-y

away, away, away, away  
away, away, away, away
