

Sit Up Sam Song

They call me Sit Up Sam 'cause I like to sit up
I lay flat on my back and put my knees straight up
I put my hands on my chest and lift my head to the sky
I get my big magic bike and I go for a ride

Sit up

Ride that bike

Touch the sky

Lay flat, lift your feet off the ground

Sit up

Ride that bike

Touch the sky

Lay flat, lift your feet off the ground

Sit up
