

# Square Song

Music and Lyrics by: Have Fun Teaching

A square is a shape  
It has four equal sides  
It has four right angles and four straight lines  
A square is a shape  
It has four equal sides  
It has four right angles and four straight lines

Draw a square in the air (2x)  
Draw a small, small square in the air (4x)  
Draw a big, big square in the air (4x)

A square is a shape  
It has four equal sides  
It has four right angles and four straight lines  
A square is a shape  
It has four equal sides  
It has four right angles and four straight lines

Walk in the shape of a square (4x)

A square is a shape  
It has four equal sides  
It has four right angles and four straight lines  
A square is a shape  
It has four equal sides  
It has four right angles and four straight lines
