

# Trapezoid Song

Music and Lyrics by: Have Fun Teaching

A trapezoid is a shape that has four sides  
It has one pair of sides made of parallel lines  
A trapezoid is a shape that has four sides  
It has one pair of sides made of parallel lines

Draw a trapezoid up in the air (2x)  
Draw a small, small trapezoid up in the air (4x)  
Draw a big, big trapezoid up in the air (4x)

A trapezoid is a shape that has four sides  
It has one pair of sides made of parallel lines  
A trapezoid is a shape that has four sides  
It has one pair of sides made of parallel lines

Walk in the shape of a trapezoid (4x)

A trapezoid is a shape that has four sides  
It has one pair of sides made of parallel lines  
A trapezoid is a shape that has four sides  
It has one pair of sides made of parallel lines
