

Walk It Out Willie

They call me Walk It Out Willie 'cause I like to walk
If you can walk the walk then you can talk the talk
First we'll walk it out slow, then we'll walk it out fast
Then we'll walk on our toes and we'll do the robot dance

Walk it out slow

Walk it out fast

Walk on your toes

Walk like a robot

Walk it out slow

Walk it out fast

Walk on your toes

Walk like a robot

Walk it out slow

Walk it out
